Annunciation BVM and St. Hilary Parishes are a community of Catholics under the guidance of the Holy Spirit. We proclaim the Good News of Jesus Christ through worship, service and fellowship, in cooperation with the Bishop of Thunder Bay, in order to bring forth the values of the Kingdom of God.

We have gathered here to encounter Jesus our Lord and brother and give praise to God our Father. We meet Jesus in meeting one another, we meet him in the scriptures to which we will listen, and we meet him in sharing in his body and blood at his table, and in union with him we will offer prayer and praise to the Father. These thoughts of meeting Jesus and joining him in the praise of God are very central to our gathering today when we hear the story of the ten lepers who asked

Jesus for healing, but of whom only one of the ten came back to thank him. Like those lepers seeking healing, our first thought when we gather is to cry: 'Jesus, Master, have mercy on us.' Leprosy in the gospels is symbolic of the situation from which God willed to rescue his people. It is so in two ways: - it disfigured people; - those suffering from it were considered unclean and kept away from the community. Jesus' response to lepers invites us to celebrate those who act like him, towards us or others. It also calls us to repentance as individuals and as Church communities – this is the role we should be playing in our communities and in society. In your meditation remember

“lepers” in your family, neighbourhood, classroom, workplace, society – people who are looked down on because they are disfigured in some way, and also those who may not be physically disfigured but are considered “unclean” for some other reason: the mentally ill; those suffering from AIDS; ex-prisoners; gays and lesbians in certain communities; Asians in many countries of the world since the September 11 attacks; immigrants and asylum seekers; people who belong to minority ethnic or racial groups. The lepers in the gospel story cry out, “Jesus! Master! Take pity on us.” The lepers of our experience also cry out, but they often do so in different ways: “As they were going their way they were cleansed.” Jesus had worked a miraculous cure but the text hints that their setting out with confidence to “show themselves to the priests” had a healing effect – which corresponds to our experience.

Every third Sunday of the month will be a family mass. All functions will be fulfilled by children during Mass. After Mass, we invite you for a coffee. Welcome

Evangelizing gives us joy. (On the day of Pentecost) Peter, filled with the Holy Spirit and “standing with the eleven, lifted up his voice” and “confidently” proclaimed the good news of Jesus, who gave his life for our salvation and whom God raised from the dead. This is another effect of the Holy Spirit’s action: the courage to proclaim the newness of the gospel of Jesus to all, confidently (with parrhesia), in a loud voice, in every time and in every place. Today too, this happens for the Church and for each one of us, the fire of Pentecost, from the action of the Holy Spirit, releases an ever new energy for mission, new ways in which to proclaim the message of salvation, new courage for evangelizing. Let us never close ourselves to this action! Let us live the gospel humbly and courageously! Let us witness to the newness, hope, and joy that the Lord brings to life. Let us feel within us “the delightful and comforting joy of evangelizing.” Because evangelizing, proclaiming Jesus, gives us joy, Instead, egoism makes us bitter, sad, and depresses us. Evangelizing uplifts us.

Let us learn to call people by their name, as the Lord does with us, and to give up using adjectives.

Once upon a time there was a man who was struck down in his early thirties who was diagnosed with brain cancer. He had a wife and young children and a promising career. Suddenly all of that was swept away from him. He could barely talk or walk. He was in constant agony. His friends and his family, except for his wife and mother, avoided him. The doctors shook their head. It was too bad. He was a nice man and deserved longer life. But there was nothing they could.

At last he went to a very famous doctor who offered to operate on him, even though everyone else said the tumor was inoperable. The doctor warned the patient and his wife that he could very well die during the operation, though he (the doctor) was pretty sure that he would survive and return to health. They decided that they should take the risk.

After nine hours of surgery, the doctor came into the waiting room, grinned at the man's wife and said, "Got it!" The man recovered and went on to a happy and successful life. Twenty years later the surgeon died. We should go to the wake, the patient's wife said. I'd like to, her husband replied. But it's on the weekend and I have an important golf tournament.

The Bishop's Diocesan Ministry Campaign (Sharing the Challenges).

The Bishop's Campaign for 2019 is now beginning. Parishioners will receive a brochure and donation card in the mail this month. The theme for 2019 is 'TOGETHER ON THE ROAD'. Like the disciples on the road to Emmaus, we walk together and share our journey with Christ who draws near to us. Like the disciples on the road, let us open our hearts to recognize Jesus in our encounters along the road. St Hilary Parish goal is \$ 4,000.00 and Annunciation Blessed Virgin Mary Parish goal is \$8,000.00. The campaign will run until December 31, 2019.

Please be generous in supporting the Bishop's Diocesan Ministry Campaign.
