Annunciation BVM and St. Hilary Parishes are a community of Catholics under the guidance of the Holy Spirit. We proclaim the Good News of Jesus Christ through worship, service and fellowship, in cooperation with the Bishop of Thunder Bay, in order to bring forth the values of the Kingdom of God.

The resurrection of Jesus which we celebrate on this night is the universal story of God's grace triumphing over evil. Meditating on the biblical texts ahead of the liturgical celebration will help us enter personally into the mystery.

Each of the four gospels tells its own story of how the women discovered that Jesus was risen from the dead. Our meditation must always be based on the text we have before us. Being conscious of

what is proper to the author often helps us to read the passage as if for the first time. Only St Luke includes the words of the angel which express very dramatically the mystery of the resurrection as it is always experienced, "Why look among the dead for someone who is alive?" St Luke generally gives more importance to the role of women than the other evangelists. It is significant then that in his account the women are not told by the angels to bring the good news to the eleven; they do so of their own accord. Lord, we thank you for faithful women, spouses, mothers, members of our church communities.

Look at the open arms of Christ crucified, and let Him save you. Contemplate His blood shed out of love and let yourself be purified by it. In this way you can be reborn
In the Eucharist you really meet Jesus, share His life, feel His love; there you experience that His death and resurrection are for you. Christ died because He loves each one of us: young and old, saints and sinners, people of His time and people of our time.

Bible Study will be every Monday at Roma Dupuis house at 4 Riverview St. from 6:30 - 7:30 p.m. tel. 887-4472. Come out for some great discussion and fellowship. Everyone is welcome!

Lord, we thank you for moment of grace.

“Lord, look through my eyes, speak through my lips. May my poor

human presence be a reminder, however weak, of your divine presence.” ...Don Helder Camara

Lord, we pray that in spite of our sins, our church communities may be signs of hope for society; that like the two angels in brilliant clothes who appeared to the women at the tomb of Jesus, we may announce to those who mourn that, though it may seem that love has been handed over into the power of hatred and violence and securely locked away with a great stone blocking the way out, it is not among the dead, but still alive in the world. Lord, forgive us that we have become so accustomed to evil, – in ourselves, in other people, and in society – that we have become cynical. When people speak to us about resurrection and new life. Their story seems to us pure nonsense and we do not believe them. Even when, like Peter, we go running to the tomb and see the cloths that once kept men in bondage now left lying on the ground, we merely go back home amazed at what happened and still do not believe.

We had been in a situation of death – a relationship that meant a lot to us seemed dead – an addiction held us in its grip – our country was locked in civil strife. Then the day came that would turn out to be the first of a new era. We were mourning as usual, Like Mary of Magdala making a routine visit to the tomb of Jesus, But saw that the stone had been moved away from the tomb. Naturally, we looked for some simple explanation, “they have taken the Lord our of the tomb and we don’t know where they have put him,” but it wasn’t anything like that, it was what the scriptures teach us, that your work must always rise again.
